Elevate professional development with the Professional Learning Passport (PLP)

The PLP is a world-leading online e-portfolio platform. Find out how its powerful tools can support your staff on their professional learning journey.

Flexibility to suit your needs

- Get creative and design resources to support the needs of your staff.
- Empower your staff by supporting them to take ownership of their professional learning and development.

Streamline your processes

- Store everything securely online in one place - no need for paper filing or emailing documents.
- The PLP is compatible with any device which connects to the internet with no additional software required. There is also an app to use on the go.
- Facilitate effective collaboration and feedback.

Receive unlimited support

- Receive free bilingual in-person or online training along with ongoing technical support.
- Benefit from system updates at no extra cost.
- There are no contracts and it's free to use.

A national tool for Wales

- Available in both Welsh and English.
- Available to anyone you employ who is registered with the EWC.
- Not linked to employment so your staff can use it throughout their career.

Find out how others are using the PLP to support the professional learning journey of their staff.
