

An Analysis of Headteachers, Deputy Headteachers and Assistant Headteachers November 2012

Notes

- This research report compares data held on the Register of Qualified Teachers on the 1st March 2004 and the 1st March 2012.;

- All data provided relates to “registered teachers” and the numbers are displayed as “actuals” rather than “full-time equivalents”;

- The number of registered teachers is “real time” and can go up or down, depending on new registrations and de-registrations.

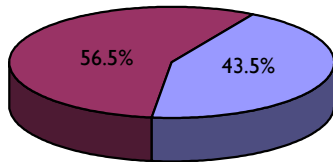

- The data is based on the first employment record held regardless of the number of employment records a teacher may have;

- There is no legal obligation for teachers, schools or LAs to notify GTCW of the teacher posts within a school and in the Primary and Other sectors there is a noticeable absence of assistant headteacher and deputy headteacher positions.
